Subj: NOTICE OF FORMAL SUBMISSION OF MAYORAL BALLOT APPLICATION

Good Evening,

This message is to formally notify you that today, Friday, November 21, 2025, I completed, signed, notarized, and submitted my Application, with payment, for a Place on the General Election Ballot for the Office of Mayor of the City of Frisco, to be held on May 2, 2026. For clarity, this means my prospective candidacy is no longer hypothetical, my application for ballot placement is now formally pending with the City Secretary's Office.

I am providing this notice out of courtesy and transparency given the significant overlap between: (1) the matters currently or previously in litigation; (2) the individuals, attorneys, law firms, and others involved across those proceedings; (3) the sequence of events that precipitated my professional, housing and financial destabilization, and ongoing harms; and (4) the current political climate in Frisco involving a candidate whose actions, conduct, and influence form part of the underlying factual record. My reasons for pursuing this candidacy are expressed in the written explanation previously shared ("[Why I Am Exploring an Official Candidacy for Mayor of the City of Frisco](#)"), which is also publicly available on [my website](#).

This notice is not submitted for argument or debate, nor does it waive any claims, rights, objections, positions, or remedies I have taken or am entitled to in any jurisdiction. It is simply a material update that may bear upon ongoing strategy considerations within your respective representations.

Should the City Secretary contact me with any questions or require supplemental information, I will promptly comply.

Regards,

Maurice Fitzpatrick
