My request to protect my downside of the 32.5 is to protect the relationship. The top developers shares I believe, are customary and normal. As far as upgrade Tronix to core, no problem if Ben cannot participate, but I might want to move 1m shares from my 6m shares to have the same characteristics of the 3.25m shares. Meaning I did not present these as demands. Call me so we can talk through theses.	AFG 000849

659	2/14/24 9:10 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	This is the message I got from SET after Shawn weighed in. Kai would like to announce the move to Careguard for all Lifetime products, past and future, at the dealer meeting on February 26 and 27. If we have this done, we both feel confident to announce because it will be down to just finishing new contracts, which we have confidence in. This is pushing the limits of their patience. Shawn had no business doing what he did. He put me in a bad situation.	AFG 000899

668	2/15/24 2:35 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	I sent email to protective lawyer myself this am. She is working on it with SET. But made it clear that we will not sign without a release a corrections. We would have been in default within 48 hours of signing. Let Jim handle	AFG 000900
669	2/15/24 2:48 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	I don't agree. If we lose the account it's on you. I save it once. Lighting doesn't struck twice. Keep in mind my people used your battery data and we are upside down by 300%.	AFG 000900
670	2/15/24 2:49 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	We won't loose the account. I know people very high up	AFG 000900
671	2/15/24 2:50 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	We will NOT go into an agreement whereby we have liability and walk away. Stupid. They will fix it	AFG 000900
672	2/15/24 2:50 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	Dude you have no idea.	AFG 000900
673	2/15/24 2:50 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	I put protective on notice earlier and they have changed their tune	AFG 000900
674	2/15/24 2:51 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	I know more than you want to know about protective and they will not screw with me	AFG 000900
675	2/15/24 2:51 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	Leave it to the lawyer. I had two days of this and not months like SET	AFG 000900
676	2/15/24 2:55 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	You screwed up by getting Shawn in the middle of the agreement. There is NO goodwill there. You are right Jim should have handled it. If anyone.	AFG 000900
677	2/15/24 5:47 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	Micheal, I gave you \$5m to keep your dream alive, and you won't take a minor chance and sign the freaking document. That's the bottom line. I am pissed.	AFG 000900
678	2/15/24 6:34 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	Not having a release is a problem and troubles me that everyone expects us to just walk with no release. Stupid. AFG can indemnify us and then no problem. But your counsel would not allow not having a release. Trust me.	AFG 000901
679	2/15/24 6:34 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	So I will let Jim handle this and Keith and Bill I am told are good with the redline changes and sent them on to SET	AFG 000901
680	2/15/24 6:51 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	Cws has nothing to do with this agreement.	AFG 000901
681	2/15/24 6:56 PM	1	Ralph Wright Brewer III (817) 235-3119	CEO Michael Lucas (307) 699-7049	That is a fucking lie: this is from an email. Shawn - After more thought, this agreement needs to come from PP (Jim Henderson). Caregard is not a party to it, so it wouldn't be proper for us to email it back to SET, nor does it make any sense for us to have any additional involvement. Keith	AFG 000901
682	2/15/24 6:59 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	Jim Henderson said "I cannot allow you to sign this, or I need a release". So it's NOT being signed without a release to PP. complete bullshit. End of discussion	AFG 000901
683	2/15/24 7:01 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	I know they brought up Moss today and they will most likely file a lawsuit against AUL which is not our issue but to name PP in a lawsuit will be complete	AFG 000901
684	2/15/24 7:02 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	So SET can release PP or it's not happening.	AFG 000901
685	2/15/24 7:03 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	Vic made it very clear NO release. That tells me they plan to sue someone and I will NOT be a part of future litigation BS. They are getting \$8M. Be happy and release PP. keep AUL on the hook is fine but NOT my company	AFG 000902
686	2/16/24 12:51 PM	1	CEO Michael Lucas (307) 699-7049	Ralph Wright Brewer III (817) 235-3119	You jumped the gun here and SET is all good. So it will be signed next week. There is your GIFT!	AFG 000902
